## Costa since 1888

The Costa business started in a fruit shop in Geelong more than 120 years ago and has grown to be one of Australia's largest producer, marketer and exporter of premium quality fresh fruit and vegetables.

In addition to growing and marketing fresh quality produce, Costa is also a high quality provider of leading edge supply chain solutions to the FMCG and Retail sectors.

Costa employs 6,000 people during peak season times and operates nationally across more than 30 regional and rural communities.

## What We Do Best

Costa is Australia's largest grower, packer and marketer of premium quality fresh fruit and vegetables.

From this market-leading position, we work incredibly hard to keep improving the quality of our produce and the service we provide to our customers.

Our core produce categories include:

- Berries
- Mushrooms
- Tomatoes
- Citrus

These quality fruits and vegetables are supplied to all the major Australian supermarket chains, as well as independent grocers and a range of food industry stakeholders. We also export to Asia, North America and Europe. Our customers demand year round supply and our production footprint and the strong relationships we have with our third-party growers helps to satisfy this demand.

Costa Farms and Logistics incorporates interrelated logistics, wholesale, avocado marketing and banana farming operations. We provide logistics and supply chain solutions to the FMCG and Retail sectors, and provide wholesale and market services via Costa Farms.
