COMMUNITY COORDINATION - ENTRY REQUIREMENTS

You must have access to a Landcare group that is connected to an agricultural community to base your assessment tasks on. This group will become a case study for your assignments. The tasks will vary for each unit but include things like testing and interpreting soils, reviewing WHS practices for your group and facilitating goal development and planning with your group.

FARMER SKILLSETS - ENTRY REQUIREMENTS

You must have access to a farm that operates on a commercial scale that you can base your assessment tasks on. Your chosen farm will become a case study for your assignments. The tasks will vary for each unit but include things like testing and interpreting your soils, developing and reviewing your farm business plan and analysing your production systems. Participants will be encouraged to connect with their local Landcare network, if not already connected.

COST

The cost to participants is **\$480** per skillset.

This training is subsidised by the Victorian Agriculture TAFE Training Fund and supported by Landcare Victoria Inc.

PLACES ARE STRICTLY LIMITED AND SUBJECT TO AVAILABILITY
