

## Online Faecal Worm Egg Counting Enrolment Form

Friday 18<sup>th</sup> September 2020

Workshop Time: 8.45am to 12 pm & 1pm to 4pm (AEST)

### Learn how to:

- Use worm egg counts to detect worm infestations early
- Do your own worm egg counts and interpret the results
- Use tests to determine which drenches are effective on farm
- Use WormBoss to help with your decision making

This course will cover the nationally accredited unit AHCWRK301 Collect samples for a rural production or horticulture monitoring program and RuralBiz Training will apply for funding for students living or working in NSW and to allow for this, **applications must be received ASAP.**

### You will need (before the day of the online workshop):

- EggsAct Faecal Egg Count Kit including
  - Binocular Microscope \*\*Special price \$595 (ex GST plus postage & handling) usually \$699 (use discount code ruralbiz1)

To purchase the kit or for more info about the kit (not the course) go to <http://www.faecaleggcountkit.com.au/the-kit/> or contact Jane on 0449 074 313

- Salt to make a saline solution
- If you have your own microscope and egg counting slide please contact us to advise.

**You will need to order your equipment ASAP for it to arrive in time for the course. Please advise that you are a RuralBiz student to get the discounted price.**

\*Note: prices correct at 1 June 2020

### RuralBiz Training will provide you with:

- USB Eye Piece – you need to supply us with your credit card details or a cheque (see over) which may be liable for a charge of \$230 if the USB eye piece is not returned to RuralBiz Training in good working order within 14 days of the online course.

To register for this course – complete  
the form on the  
next page.
